

Subject Payments for Durable Medical Equipment and Supplies

Authors Edelson and others

Analyst Randall Chun

Date March 28, 2019

Summary

Section	Description
1	<p>Reimbursement for basic care services.</p> <p>Amends § 256B.766. Requires the state, for durable medical equipment, prosthetics, and orthotics, provided on or after January 1, 2020, under MA, to repay any federal financial participation in excess of the aggregate federal limit (set at the Medicare payment rate) with state funds. Requires the state to maintain the full payment rate for providers as allowed under this section.</p>
